## MIAMI-DADE COUNTY PERSONHOODFL COORDINATOR

### EVERY LIFE MATTERS TO GOD. HELP US PROTECT THE UNBORN

*Jeremiah 1:5 NLT, "I knew you before I formed you in your mother's womb. Before you were born I set you apart and appointed you as my prophet to the nations."*

Christian Coalition of South Florida endorses the efforts of PersonhoodFL campaign to collect over 700,000 petitions by the 2010 election cycle. The initial goal is to collect 100,000 petitions by Thanksgiving and the remaining 600,000 petitions by the November 2010 election cycle.

This Florida Constitutional Amendment will lead us one step closer to ultimately overturning Roe v Wade.

The language of the bill read as follows:

#### SECTION 28. Person Defined.--

(a) The words "person" and "natural person" apply to all human beings, irrespective of age, race, health, function, condition of physical and/or mental dependency and/or disability, or method of reproduction, from the beginning of the biological development of that human being.

(b) This amendment shall take effect on the first day of the next regular legislative session occurring after voter approval of this amendment.

**Dennis Baxley, Former Speaker Pro Tem of the Florida House of Representatives and Former Executive Director of Christian Coalition of Florida**

"PersonhoodFL is a valuable ally for the unborn children who are aborted each year in our nation at an alarming rate. Sadly, Florida has one of the highest per capita abortion rates, ranking eighth among the 50 states. As the saying goes: 'He who asks the questions wins the debate.' We want to ask a question of every Floridian on the November ballot, in effect: **'Do you believe that life begins at conception and that the unborn child is a person with human rights?'** In our struggle to protect the lives of the innocent, we need to press the issue of when life begins. support the Personhood of the unborn child at the polls in November."

Over 27,000 abortions are performed in Miami-Dade County alone. God cannot and will not continue to bless America if we do.

It is the greatest issue we face morally as a Nation

**It is our prayer that abortions in America will become a thing of the past**

Today the opportunity of life, liberty and the pursuit of happiness is being denied to an entire class of American children, the unborn babies.

Clearly not all are free in America. All are not equal or have a chance at happiness. By reason of their age, dependency, immaturity, inconvenience, or unwantedness, unborn children have been legally rendered persona non grata, and expendable.

Let's be honest, abortion is violence against children. It dismembers and chemically poisons a child to death. It hurts women physically and psychologically and spiritually. There is nothing whatsoever compassionate, benevolent, ennobling, or benign about abortion. It is a violation of a child's fundamental human rights. The battle to protect every life, from unborn child to disabled elderly will be long and hard, it is a battle worth fighting. **We shall not weary, we shall not rest, until every unborn child is protected in law and welcomed in life."**

I have pledged to fight for the liberties recognized by our Founding Fathers, that of life, liberty and the pursuit for those who cannot speak for themselves.

The unborn child should have constitutional protections, and that is why we ask you to join us today helping to pass a Florida Constitutional Amendment that will protect the life every human being. The Declaration of Independence says, that we are given those certain inalienable rights and that we are endowed by a Creator to have those rights. We need to give those rights to these unborn children.

**We have to stop the culture of death in America.**
